IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Application of: Roemer et al.

Confirmation No.: 8340

Application No.: 10/032,585

Group Art Unit: 1636

Filed: December 20, 2002

Examiner: To be assigned

For: GENE DISRUPTION
METHODOLOGIES FOR DRUG
TARGET DISCOVERY

Attorney Docket No.: 10182-016-999

**INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.56 and § 1.97**

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Applicant hereby directs the Examiner's attention to the references listed on the attached revised form PTO-1449 entitled "List of References Cited by Applicant."

Identification of the listed references is not to be construed an admission of Applicant or Attorneys for Applicant that such references are available as "prior art" against the subject application. Applicant submits herewith several pages of a "revised form PTO-1449" entitled "List of References Cited by Applicant." Legible copies of References AA-DN are being submitted herewith.

Applicant respectfully requests that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

Express Mail No.: **EV 335 859 226 US**

Pursuant to 37 C.F.R. § 1.97(b)(3), since this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits, the fee required to be filed with the accompanying Information Disclosure Statement has been estimated to be \$0.00. However, should the Patent Office determine otherwise, please charge the required fee to **JONES DAY Deposit Account No. 16-1150**. A copy of this sheet is enclosed.

Date January 30, 2004

Respectfully submitted,
